# SECOND SUPPLEMENTAL DECLARATION OF MICHAEL J. PAQUE REGARDING THE SOLICITATION AND TABULATION OF VOTES ON, AND THE RESULTS OF VOTING WITH RESPECT TO, PLAN FOR THE ADJUSTMENT OF DEBTS OF THE CITY OF DETROIT

- I, Michael J. Paque, make this declaration (the "Second Supplemental Declaration") under 28 U.S.C. § 1746 and state as follows:
- 1. I am over 18 years of age and not a party to the above-captioned action.
- 2. I am employed as a Director of Corporate Restructuring Services with Kurtzman Carson Consultants LLC ("KCC"), the claims, noticing and balloting agent for the above-captioned debtor, the City of Detroit, Michigan (the "City"). I have been an employee of KCC for approximately nine years.
- 3. On July 21, 2014, I submitted the Declaration of Michael J.

  Paque Regarding the Solicitation and Tabulation of Votes on, and the Results of

  Voting with Respect to, Fourth Amended Plan for the Adjustment of Debts of the

City of Detroit (Docket No. 6179) (the "Original Paque Declaration").

The Original Paque Declaration was submitted in connection with the tabulation of votes for the Fourth Amended Plan for the Adjustment of Debts of the City of Detroit, dated May 5, 2014 (Docket No. 4392) (as it has been or may be further modified, amended, corrected or supplemented, the "Plan").

- 4. On August 12, 2014, I submitted the Supplemental Declaration of Michael J. Paque Regarding the Solicitation and Tabulation of Votes on, and the Results of Voting with Respect to, Plan for the Adjustment of Debts of the City of Detroit (Docket No. 6665) (the "Supplemental Paque Declaration" and, together with the Original Paque Declaration, the "Prior Paque Declarations"). The Supplemental Paque Declaration supplemented and amended the Original Paque Declaration, which remained unchanged except to the extent expressly set forth in the Supplemental Paque Declaration.
- I submit this Second Supplemental Declaration in connection 5. with the tabulation of votes with respect to the Plan. This Second Supplemental Declaration supplements and amends the Prior Paque Declarations as set forth herein. The Prior Paque Declarations remain unchanged except to the extent

On October 22, 2014, the City filed the Eighth Amended Plan for the Adjustment of Debts of the City of Detroit (Docket No. 8045) (the "Eighth Amended Plan"). Capitalized terms not otherwise defined herein have the meanings given to them in the Plan.

expressly set forth herein. Except as otherwise noted, I could and would testify to the following based upon my personal knowledge.

#### The New Settlements

- 6. I am informed by the City's counsel that, subsequent to the filing of the Supplemental Paque Declaration, the City has entered into settlements with various parties resolving such parties' objections to confirmation of the Plan, among other things. I am further informed by the City's counsel that certain of these settlements (collectively, the "Settlements") contemplate that the previously cast votes of the applicable settling parties to reject the Plan shall be deemed to be votes accepting the Plan. The Settlements include the following, among other documents:
  - the Settlement Agreement between (a) the City and (b) Syncora Guarantee, Inc. and Syncora Capital Assurance Inc. (together, "Syncora"), a copy of which is attached as Exhibit I.A.344 to the Eighth Amended Plan, which agreement provides at Section 2.2 that "[a]ll votes cast by Syncora to accept or reject the [Plan] shall be deemed to have been cast as accepting the [Plan];" and
  - the Stipulation Regarding FGIC Plan COP Settlement and FGIC COP Swap Settlement (the "FGIC Stipulation") between (a) the City and (b) Financial Guaranty Insurance Company ("FGIC"), a copy of which is attached as Exhibit I.A.197 to the Eighth Amended Plan, which stipulation provides at Paragraph 2 that "[a]ll votes cast by FGIC to accept or reject the Plan, including any votes cast on behalf of any COP Holder, shall be deemed to have been cast as accepting the Plan."

7. Syncora and FGIC previously cast votes in Class 9 and Class 14 under the Plan prior to the Voting Deadline. At the request of the City's counsel and consistent with the settlement language set forth above, KCC has retabulated the voting results for Class 9 and Class 14 to account for the Settlements, in contemplation of approval of the Settlements in connection with confirmation of the Plan. This Second Supplemental Declaration updates the tabulations set forth in the Prior Paque Declarations to account for such changes.<sup>2</sup>

## Retabulation of Votes in Classes 9 and 14

8. Consistent with the Settlements, the tabulation of Ballots in Class 9 and Class 14 under the Plan set forth in the Prior Paque Declarations has been revised to reflect that, upon approval of the Settlements by the Court, all votes cast by Syncora and FGIC shall be deemed to have been cast as accepting the Plan. Set forth below is an updated summary of the voting results with respect to such Classes:

.

I am further advised by counsel to the City that, since the filing of the Prior Paque Declarations, consistent with the Settlements, the Plan has been modified to provide that all COP Claims will receive the treatment set forth in Section II.B.3.p.i.A of the Eighth Amended Plan. Consequently, the results of the COP Settlement Election disclosed on <a href="Exhibit D">Exhibit D</a> to the Original Paque Declaration now have been rendered moot.

- 9. After consulting with the City's legal counsel, I believe that the voting results set forth above demonstrate that, under the standards of section 1126 of the Bankruptcy Code (a) Class 9 has accepted the Plan and (b) Class 14 has rejected the Plan.
- 10. Attached hereto as <u>Exhibit A</u> is a more detailed summary of voting in each of the Securities Classes, which accounts for the changes to the tabulation of votes in Class 9 described above. This exhibit supersedes <u>Exhibit C</u> to the Supplemental Paque Declaration in its entirety.

Attached hereto as <u>Exhibit B</u> is a more detailed summary of voting in the Non-Security, Non-Retiree Classes, which accounts for the changes to the tabulation of votes in Class 14 described above. This exhibit supersedes <u>Exhibit I</u> to the Supplemental Paque Declaration in its entirety.
- 12. Attached hereto as <u>Exhibit C</u> are detailed ballot reports for each of the Non-Security, Non-Retiree Classes, which accounts for the changes to the

tabulation of votes in Class 14 described above. This exhibit supersedes <u>Exhibit J</u> to the Supplemental Paque Declaration in its entirety.

13. Except as provided herein, the exhibits to the Prior Paque

Declarations have not otherwise been modified or supplemented by this Second

Supplemental Declaration.

I declare under penalty of perjury that to the best of my knowledge the

foregoing is true and correct.
